

# RARE DISEASE DAY

FEBRUARY 24, 2024

Rare Disease Day is observed globally to raise awareness about rare diseases and their impact on the lives of those affected. This day is an opportunity to unite and amplify the voices of patients, families, and advocates, fostering a sense of community and support.

## KEY OBJECTIVES

**Raise Awareness:** Learn about the challenges faced by individuals living with rare diseases and the importance of early diagnosis and access to treatment.

**Community Building:** Connect with others who share similar experiences and build a supportive network.

**Advocacy:** Advocate for policies that support research, development, and access to treatments for rare diseases. Your voice matters!

## HOW YOU CAN HELP

**Spread the Word:** Share this flyer with your friends, family, and social networks.

**Donate:** Support organizations working towards research and support for rare diseases.

**Join: Wisconsin Rare Disease Alliance.** Join with the QR code below or visit our website to learn more and join today!
